Change to AEP Central tariff charges: Some residential customers in AEP Central service territory will see a new line item charge on this bill. Effective for billing periods with meter reads on and after September 1, 2013, AEP Central has been authorized by the Public Utility Commission to increase their rates for **Transmission Cost Recovery Factor (TCRF)**. This increase represents an actual price change for transmission and distribution service and the increase will be passed through without mark up.
