*This price disclosure reflects the total average price for electric service including PUC Assessment and Hub to Load Zone Basis, and is exclusive of state and local sales taxes. The Real Time Settlement Point Price ("RT SPP") is an index price, and the pricing assumes a demand meter with a 30% load factor. The price disclosure above is an estimate. The actual price you pay will be based on the Fixed Energy Charge per kWh, plus your applicable Transmission and Distribution Utility (TDU) charges passed through at cost without markup, plus PUC Assessment and state and local taxes.

Disclosure Chart

Type of product	Indexed
Contract term	Month-to-Month
Do I have a termination fee or any fees associated with terminating service?	No
Can my price change during the contract period?	Yes
If my price can change, how will it change and by how much?	Your price can change to reflect actual price changes that are allowed by Public Utility Commission rules due to changes in law, transmission and distribution service providers charges, hub to load zone basis, or regulatory charges. The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.
What other fees may I be charged?	Please see the "Pricing", "Billing", "Payment and Payment Arrangements" and "Deposits" sections of your Terms of Service for fees not included in the recurring charges.
Is this a pre-pay or pay-in-advance product?	No
Does Champion Energy purchase excess distributed renewable generation?	No
