Champion Energy Services, LLC PUC No. 10098 Small Commercial Service ■ Holdover Variable Price Product Nueces

## 5/1/2025

Average Monthly Use: 1500 2500 3500 kWh kWh kWh kWh Average price per kilowatt-hour*: 17.6e 16.8e 16.4e  Fixed Energy Charge: 12.5e /kWh  "This price disclosure reflects the total average price for electric service including PUC Assessment and Hub to Load Zone Basis, and is exclusive of state and local sales taxes. The pricing assumes a demand meter with a 30% load factor. The price disclosure above is an estimate. The actual price you pay will be based on the Fixed Energy Charge per kWh, plus your applicable Transmission and Distribution Utility (TDU) charges passed through at cost without markup, plus PUC Assessment and State and local taxes.  Except for price changes allowed by law or regulatory action, this price is the price that will be applied during your first billing cycle; this price may change in subsequent months at the sole discretion of Champion Energy. The price in effect on the day following the previous meter read date will be applied for subsequent billing cycles. After enrollment, the current price for the product is available by calling Customer Care at 1-877-653-5090. Please review the historical price of this product available at www.championenergyservices.com/Commercial/Existing-Customers/Variable-Rate-History or call 1-877-653-5090.  Other Key Terms and Service statement for a full listing of fees, deposit policy, and other terms.  Type of product Variable Price  Contract term Month-to-Month  Do I have a termination fee or any fees associated with terminating service?  Can my price change, how will it change and by how much?  If my price can change, how will it change and by how much?  What other fees may I be charged?  The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges, changes to the Electric Reliability Council of recaso or resus on us that are beyond our control. The price may change in subsequent months at the sole discretion of us.  If my price can change, how will it change and by how much?  If the price ma		5/1/20	)25
